PINNACLE OF PERFORMANCE

G-31 & G-32 COB LED lights are a product of technological innovation. Multi LED chips are clubbed together as one lighting module that produces a high luminous flux directed towards the surface of the object to be lit. The COB Downlights have better lifetime, stability and reliability.

Strip lights have become a popular for festivity and home décor. The LEDs come in durable compact packages that are resistant to shock and can be used in a variety of ways. Available in long strip lengths, they have a protective covering that make them dust and water resistant (IP20/IP44/IP67). LED strips are available in a wide range of single colour as well as multi-colour strips (RGB). Strip LEDs are cost effective and easier to install.

INTRODUCING
SHINE
PREMIUM LUMINAIRES

Light that's straight out of a fairytale

Light has the power to transport you to the world of fascination. Moreover, it possesses the ability to strike the right chord in the minds of individuals, thus creating an effect that is utterly satisfying.

SHINE
PREMIUM LUMINAIRES

When light comes in full circle

They say that what goes around comes around, and the same is with lighting. A good lighting influences thinking and behavior, thus promising a delightful mood and a blissful ambience.
